# Dedication

We, the class of 1960 of Cedar High School, wish to dedicate this last edition of memories to our parents, teachers, board of education, and all the people of this school district who has made it possible for us to attend this school through our elementary and secondary education.

# Class Will

We, the Senior Class of Cedar High School, in the city of Cedar, county of Mahaska, state of Iowa, being supposedly of sound mind and memory, do hereby make, publish, and declare this to be our last will and testament.

First of all we want to say to each of the high school children not to feel too bad about our parting from old C. H. S. because we don't feel too bad about it!

Second, we leave all of our debts, including unpaid class dues and any other debts we may have, to anyone who wants to pay them.

Third, we leave the Junior Class the superintendent's office for telephone calls only.

Fourth, we will the following individuals bequeaths:

Richard Cummings-his cornet to Wes Moore. His ink eradicator to Rex Scharff, who will need it. The mop back to Rex Barnard. Privilege to answer the phone to Deonne Randell and Sandra Witt.

Karen Picken-her height to Larry McBurney. Her ability to get along with the teachers to Joy Fox.

Marcella Else-her straight hair to curly-headed Deonne Randell. Her musical talent to Cherie. Her height to short Judy Van Ommen.

Darrell Else-his athletic interests to Gerald Kelderman and his baseball spikes to Jay Fox.

Ronald Hardgrove-wills Rex Scharff his car in 1970 if Rex is still single.

Jerry Krusemark-wills the assembly to any junior who will use it for a chicken house. To Mr. Flander his ability to get along with girls!

Dennis Ireland-his curly hair to his little brother Ed. He also wills to any underclassman the English and literature room, provided they use it for reading comic books.

Barbara Houghtaling-wills the mimeograph machine to anyone who will promise to run off Karen's or Marcella's wedding invitations, "whichever is married first". And her weakness for blowing her top to quiet Ruth Ann Moore.

Raymond Randell- wills Coach Ritchie a 700#, purebred Hampshire male hog, King Domino, so he won't have to buy a horse for his kids. Mr. Flanders all of the gum that was put in his waste paper can by me, and his good looks to Larry McBurney.

Fifth, we will the following to the teachers:

Mrs. Mitchell-all of the wire typing-book holders.
Mr. Flander-a used loud muffler for his 1965 Cad.
Mr. Van Fleet-we will you some of Ronald's hair.
Mr. Ritchie-all of our William Shakespeare books.
Mr. Main-the broken radio in the study hall.
Mrs. Dennison-we will her 1,000,000 absence slips.

Attested to and assigned by the members of the Senior Class of Cedar High School.
